

# 2011 TSGA JAMBOREE NEWS AND NOTES

BY HERB STEINER

Okay, folks, here's the lowdown on some of the details for the upcoming 2011 Jamboree.

The seminars continue, and Paul Franklin's seminar has been sold out.

The Sheraton Grand is sold out, but the Holiday Inn Express has rooms available.

More dealers and vendors than ever before will be displaying their wares. List of vendors is below.

Here's the list of confirmed pickers. The show schedule will not be posted until the Program Books have been printed and distributed at the show. Schedules of the players change and the TSGA can't be responsible for or coordinate all the possible changes and have the information available. So we're just posting who's confirmed and coming. Y'all will be there all weekend anyway, right?
